## 2009 Racing Update

*"To Race is to  
Win..."*

*Not to race is to  
never know"*

## Clean Sweep for The Cat...

You'll remember back at the end of the 2007 season that we were going to make an even bigger noise in 2008...

It's taken an amazing amount of hard work, commitment and support... but we did it!

Conrad and Anna Stanley have always been a formidable pairing, not just as father and daughter... the track is where they send very clear messages to the drag racing world. Conrad took absolute command and turned in a great performance to secure **ALL 3 UK Championships**.

- **2008 UK National Drag Racing Champion**
- **2008 SPRC Drag Racing Champion**
- **2008 APIRA Ultimate Power Drag Champion**

Anna also continued to develop her skills with podium places in **ALL 3 championships** too.

Here's how Anna did:

- **Runner Up - 2008 UK National Drag Racing Championship**
- **#3 - 2008 SPRC Drag Racing Championship**
- **Runner Up - 2008 APIRA Ultimate Power Drag Racing Championship**

Anna continues to keep the JMa2 numbering on the Junior dragster - clearly keeping the boys at bay for another season.

The head of this team is well respected and revered Crew Chief, Trevor Graves, and

under his watchful eye the team has remained highly focused, with every member of the crew playing an absolutely critical part in every single run...

There are few teams around these days that not only achieve the results, but are highly tuned in to the commercial aspects of racing and representing their sponsors with the utmost professionalism.

## HOUSTON ENGINE & BALANCING SERVICE
